NOTICE

REVISION OF FEES AND CHARGES WITH EFFECT FROM 16TH AUGUST, 2017

As you are well aware of SAROJ GUPTA CANCER CENTRE & RESEARCH INSTITUTE has been providing quality Service in Cancer treatment at very nominal price for last 40 years and more.

However because of the inflation and increased cost of all items in recent times, we are being unable to provide the services any more at the existing rates. So the rates are being revised and updated.

The Governing Body members has decided to implement the new rates from 16th August, 2017, which will be applicable to all patients being admitted from that day (for IPD) and for all OPD services. Also please be informed that the charges for our General Category are subsidized.

The Governing Body and the management requests all patrons and well wishers to understand our predicament and request you to continue your co-operation in our endeavour to provide quality care.

Thanking you,

Yours faithfully,

FOR SAROJ GUPTA CANCER CENTRE & RESEARCH INSTITUTE
